

# CONSTRUCTION UPDATE - PHASE 2

November 29, 2006

Trans-Park Highway Group has reached the halfway point in its contract to replace the Park Bridge and build nearly six kilometres of highway approaches.

Construction is expected to be complete in 2008.

Above: The new Park (10-Mile) Bridge will be approximately 400 metres long and 90 metres high

Right: There has been extensive drilling and blasting. The walls of this rock cut on the north side of the Kicking Horse River will be some 90 metres high.
