## What to Expect

### Traffic Effects & Accommodation

- During the weekday and weekend overnight full closures there will be emergency responder access from both ends, but no through traffic available to the public.
- Both approaches to Kicking Horse Canyon will be well-signed and traffic control personnel will be onsite to direct traffic as required.
- Drivers are reminded to obey construction-zone speed limits and the direction of traffic control personnel.
- The alternative traffic route is via Highway 93S and Highway 95, with an additional driving time of approximately 1.5 hours.
- Roadside signage will provide advance notification of the closure and alternate route.
- Day-to-day information will be available on [DriveBC](#)
