

Kicking Horse Canyon – Updated Winter 2022 Traffic Schedule

November 23, 2022

Kicking Horse Canyon Constructors (KHCC) have completed the work required to open the new eastbound lanes ahead of schedule and are able to remove the extended road closure on November 25, 2022 at 6:00am (MST). Following the removal of the extended closure traffic flow will return to intermittent lane closures and overnight full closures on Trans-Canada Highway for the Kicking Horse Canyon Phase 4 construction for the rest of the year. The following table outlines the planned traffic closures from November 25 to December 31, 2022.

The new traffic alignment on the eastbound lane in the Kicking Horse Canyon continues to be an active construction zone. For everyone's safety, please drive at the posted speed limit and obey all signage and traffic control personnel. KHCC, its workers and their families thank you for your cooperation.

Please check DriveBC for the most reliable and up-to-date information.

KICKING HORSE CANYON PROJECT PHASE 4 Traffic Management (Closure) Schedule for Nov 25/22 to Dec 31/22			
Dates	Type of stoppage		
	Lane Closures (30 minute delays)	Full closures (2 hours or more)	Extended Closures (24 hours, multi-day)

What to Expect

Traffic Effects & Accommodation

- During the weekday and weekend overnight full closures there will be emergency responder access from both ends, but no through traffic available to the public.
- Both approaches to Kicking Horse Canyon will be well-signed and traffic control personnel will be onsite to direct traffic as required.
- Drivers are reminded to obey construction-zone speed limits and the direction of traffic control personnel.
- The alternative traffic route is via Highway 93S and Highway 95, with an additional driving time of approximately 1.5 hours.
- Roadside signage will provide advance notification of the closure and alternate route.
- Day-to-day information will be available on [DriveBC](#)
